

PRODUCT DATA SHEET

EVERBUILD STICK2[®] Superglue De-Bonder

A SUPERGLUE DE-BONDER FOR USE ON CYANOACRYLATE BASED SUPERGLUES

PRODUCT DESCRIPTION

EVERBUILD SUPERGLUE DE-BONDER is a solvent based liquid for de-bonding all types of cyanoacrylate based superglues. De-bonder works on most common surfaces including skin.

USES

For de-bonding cured cyanoacrylate adhesive from most common surfaces eg. steel, plastic, wood, glass and rubber.

CHARACTERISTICS / ADVANTAGES

- Works on glass, plastic, rubber, brick, stone, wood and laminates.
- Fast acting formula
- Can be used on skin (when applied as directed)

PRODUCT INFORMATION

Packaging	20ml bottle
Shelf Life	12 months from date of manufacture when stored as directed.
Storage Conditions	Store in cool, dry conditions between +5 and +25°C. Ensure good ventilation. Storage outside these parameters will dramatically reduce shelf life.

APPLICATION INSTRUCTIONS

Remove cap from bottle and cut off end of nozzle using a Stanley Knife. Gently squeeze bottle over surface to be de-bonded. Apply 3-4 drops to glue line and leave for 30 seconds. Repeat if necessary.

Wipe away excess with a clean cloth.

When using on hands follow same procedure as above. Wash immediately after with warm soapy water and apply suitable moisturising cream to area. Do not use on broken or sensitive skin.

LIMITATIONS

- Do not use on bitumen.
- Do not use on painted surfaces.
- Do not use on polycarbonate or other sensitive plastics.

- Do not use on plated or anodized surfaces.
- Always test a small inconspicuous area prior to full application.
- When using on skin, wash immediately after with warm soapy water and apply suitable moisturising cream to area.
- Do not use on broken or sensitive skin.
- As the manufacturer cannot know all the uses its products may be put to, contact technical services for advice if in any doubt.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
